

Agreed Report from Board of Management meeting 9/11/24

1. The Board reviewed and ratified the following school policies
 - School Visitor policy
 - Assistive technology policy
 - Admission policy
2. The Board received the results from the SNA review completed in the school on Monday October 21st. The Board is delighted that we have been increased from 2.83 SNA to 3 full time SNA posts.
3. The School literacy plan review has focused on the areas of Comprehension Strategies, Handwriting and Writing genres. We have created a format that will allow us to teach certain genres each term as well as focus on specific comprehension skills depending on the class grouping.
4. The School has become available for the School Solar panel Programme. We will be seeking quotations in the coming weeks and look forward to having these added to our school building in time.
